Sindor Olmasov

FRONTEND DEVELOPER

Experience

I did small projects for practice for a year

About me

As a passionate frontend developer from Uzbekistan, I approach every project with enthusiasm, striving to infuse my work with creativity and dedication. I find joy in continuously expanding my knowledge and sharing it with others. Helping people is something I hold dear, and I always seek to make a positive impact through my skills and efforts.

Projects

E-COMMERCE

I made this site for practice, but if I transfer it to use, many people can use it, because it was made with the backend, the site is not active at the moment.

Rent Car

I made this site for practice, but if I transfer it to use, many people can use it, because it was made with the backend, the site is not active at the moment

[Link](#)

Trasnlate

This project is also not working because it is done with backend. If I tell you about this site, the site will translate your text into 256 languages

Education

(2024) Master of Frontend

In February 2024, I started training in frontend lighting at Najat Talim training center and finished it in October.
