## Frontend Developer

As a passionate frontend developer from Uzbekistan, I approach every project with enthusiasm, striving to infuse my work with creativity and dedication. I find joy in continuously expanding my knowledge and sharing it with others. Helping people is something I hold dear, and I always seek to make a positive impact through my skills and efforts.

Technical Skills	Skills	Languages
HTML5	React, React Toolkit	Effective Communicator Uzbek -Native
CSS3	TypeScript	Knowledge Sharing Russian - Elementary
SASS	JavaScript	Responsible and Disciplined English - Elementary
Bootstrap	Next.JS	Getting along with the group Tajik - Intermediate
Tailwind CSS	Webpack	Ambition and proactivity

## Projects

### Weather App

I can check the weather information. Approximately over 100 people have used it.

### Translate

Translate words into over 200 languages. Over 200 people have used it. Created for practice and later modified.

### Exchange

Created for practice and later modified. CRUD functions were written without using an API.

### Info Countries

Made using Webpack . You can get information about all countries.

And The Rest Of My Projects Are On [Github](#)
